Home of the Gamechangers

Who is Catalyst?

The Catalyst Review Solutions was founded out of the shared vision of its founders to create a review program based on the highest standards of learning competence. The founders saw an emerging and dynamic threat to the review program of the students which were not being prioritized and addressed adequately. Hence, CRS was created to cater to all these problems that a student faces to ensure success in obtaining their professional license. The team desires to expand its services to other professional fields to widen its educational reach.

Logo Description

The Catalyst Review Solutions (CRS) Logo represents the **harmony in diversity** of the team.

Its shape is that of a square to emphasize the **stability** of the group, with the four smaller boxes symbolizing **equality** among the founders.

The dominance of purple hues signifies authority, royalty, prestige, creativity, wisdom and faith.

THE CATALYST

The differences in the colors illustrate **strength in diversity** of the team, each with a distinct set of skills.

The complementarity in the colors describe the harmony and teamwork of the members that strive to achieve the mission and vision of the corporation.

MISSION

To develop proactive, technology-based pedagogies in collaboration with experts from the different fields of the professional world.

VISION

To be the global leading institution providing premier trainings and advanced educational support for aspiring and established professionals.

FOUNDERS

JUNE NICCA MEDINA, PTRP

Chairman & Chief Executive Officer

June is vested with the leadership and stewardship of the company. She is goal-driven, a visionary, and a staunch advocate of proactive involvement using the traditional and the most advanced technologies altogether to provide modern day solutions to modern day problems. She is one of the founders and incorporators of the company. She took her BS Physical Therapy, and graduated cum laude, at the De La Salle Medical and Health Sciences Institute. She is currently finishing her Master's Degree at the De La Salle University Manila.

RAREA SEVILLEJA-PAGTALUNAN, PTRP

Vice-Chairman & Chief Operating Officer

The operations of the company is being run flawlessly by Rara. Her expertise in the operations makes the company most efficient and productive. Her initiatives in the development of company and personnel policies makes the company and every employee to be at their absolute best with the idea that everything and everyone can still be even better. She is one of the founders and incorporators of the company. She took her BS Physical Therapy at the Mariano Marcos State University, and she is currently taking her Master's Degree at the De La Salle University Manila.

FOUNDERS

DARREL PAGTALUNAN, PTRP

President

Darrel takes on the everyday challenges of running the company - with a big heart and deep faith. His communication skills and diplomacy is second to none. These invaluable skills puts the company in captain's seat, but it does not end there. His ability to bring the best out of every member of the team helps the team overcome every obstacle and adversity that come the team's way. He is one of the founders and incorporators of the company. He obtained his BS Physical Therapy degree at the Emilio Aguinaldo College, and is currently taking his Master's Degree at the De La Salle University Manila.

ANDRE MINA, J.D., PTRP

Corporate Secretary, Treasurer & Chief Legal Officer

Andre is in charge of the corporate affairs and government relations of the company. His legal expertise translates the vision and mission of the company into reality. He is one of the founders and incorporators of the company. He took his BS Physical Therapy at the University of Santo Tomas - College of Rehabilitation Sciences, and his Juris Doctor at the De La Salle University - College of Law.

CORE TEAM

JERELL CATA CUTAN, PTRP

Director, Program & Data Analytics

Jerell is in charge with the developing, improving, and reviewing of all the programs being offered. He is also in charge with the analysis of data gathered from all our stakeholders and translate those data into tools to ensure that all our programs are of the highest quality. He is also one of the incorporators of the company. Jerell took his BS Physical Therapy degree at the Our Lady of Fatima University, and is currently taking up his Master's Degree at the University of the Philippines - Manila.

HANNAH PELLEJO, PTRP

Director, Admissions

Hannah is in charge of developing a cohesive and comprehensive marketing and sales strategy to boost brand awareness and recognition, and increase the income generation of the company. Her skillset translates the company's vision of providing trainings and advanced technological educational support to reach more audience which enables the company to extend to more people the modern day solutions that the company provides. Hannah is one of the incorporators of the company. She took her BS Physical Therapy degree at the University of the Philippines - Manila, graduated cum laude, and placed 3rd in the 2017 Philippine Physical Therapy Licensure Examination. Currently, she is taking her Master's Degree at the University of the Philippines - Manila.

ANGELIQUE ANZURES, PTRP

Director, Undergraduate Review Program

Angelique is the Director of the Internship Premium Enhancement Program (iPrEP) which is envisioned to be the premier educational support program for college students who strive to perform better in their programs or courses. Angelique brings with her hard-work, dedication, and excellence in performing her duties and responsibilities. She is one of the incorporators of the company. She took her BS Physical Therapy degree at the Our Lady of Fatima University.

APRIL RAGADIO, PTRP

Director, Rehabilitation Sciences Board Review Programs

April brings with her unmatched interprofessional skills which she utilizes to reconcile different ideas and principles to develop the ultimate program for Occupational Therapy Review and Educational Support programs of the company. Her passion and enthusiasm translates into a comprehensive planning and execution of the program which then brings about the desire of every student to learn and become a better professional. She is also one of the incorporators of the company. She took her BS Physical Therapy degree at the De La Salle Medical and Health Sciences Institute.

CORE TEAM

RIC NUCUP, PTRP

Director, Technological Advancements

Ric brings youth and energy to the team. He helps find the perfect balance between the latest technology and traditional learning and transforms it into the modern day solutions to the modern day problems. His unparalleled dedication and passion to utilize modern advancements to provide modern solutions helps the company be at the leadership position where it is now. He is one of the incorporators of the company. Ric took his BS Physical Therapy degree at the Angeles University Foundation.

JULIAN PHILIP LACANLALE, PTRP

Director, Marketing & Sales

Julian brings fun in fundamental! He is one of the most sought after personality for his ability to transform difficult to understand topics into a fun, interesting, and easier to understand topics! While known for his fun personality, Julian brings with him his plethora of credentials, which includes being a faculty in several of the top PT schools, and his extensive clinical practice. Julian took BS Physical Therapy at the Pamantasan ng Lungsod ng Maynila (PLM), the same institution where he is finishing his Master's Degree.

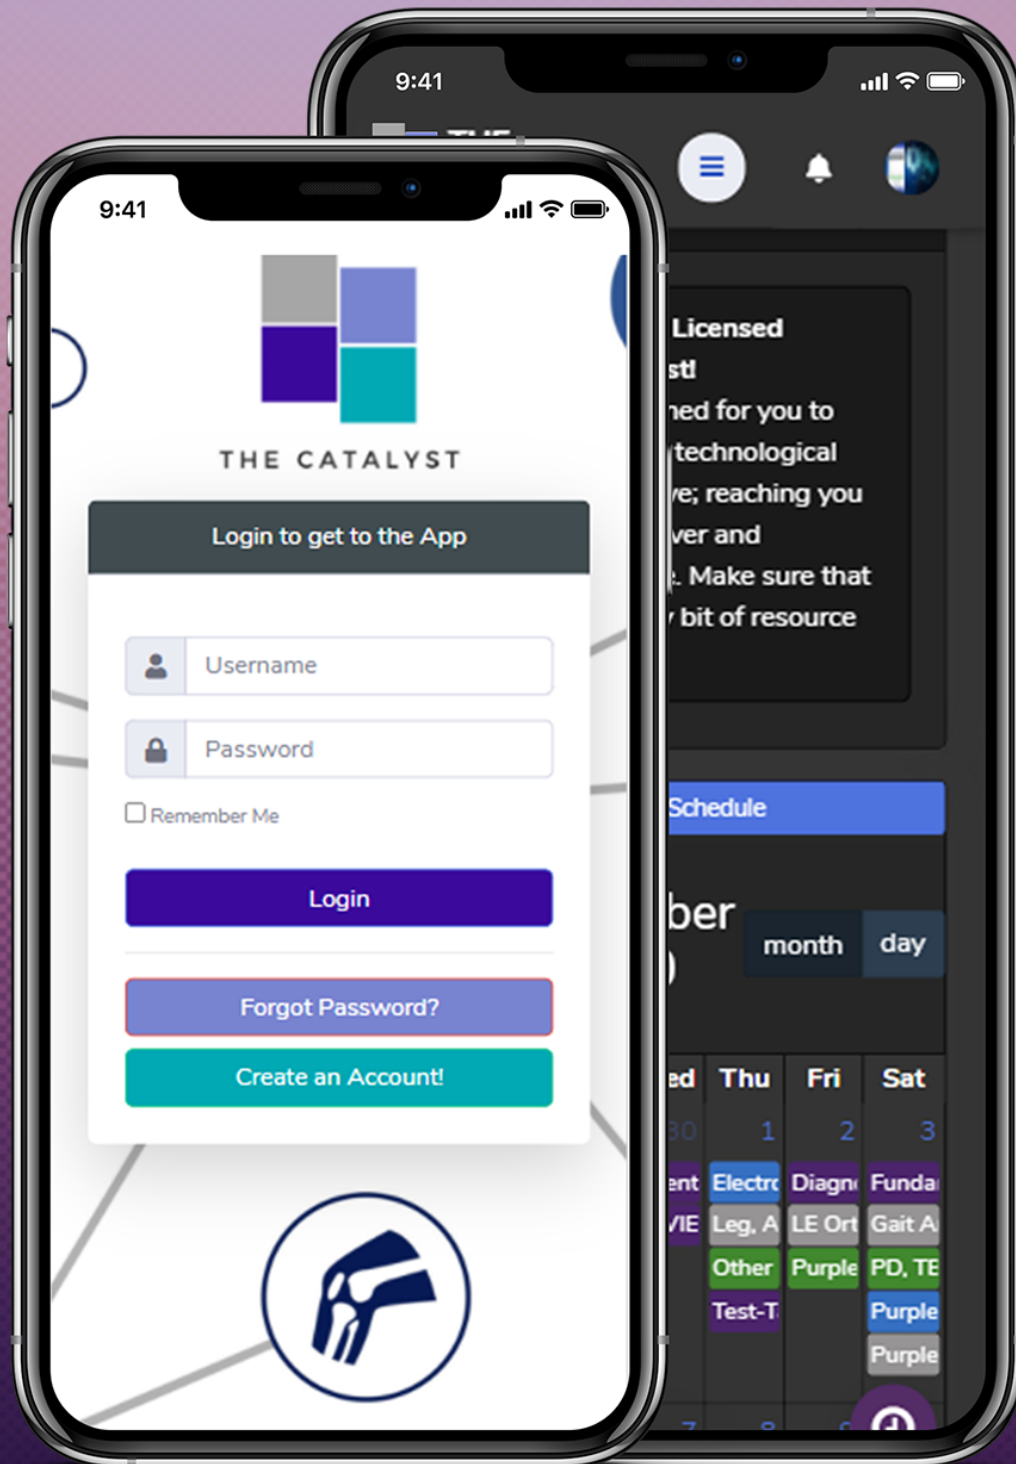

JOHN HENDERSON POSADAS, CSP-PASP

Director, Speech Language Pathology Programs

John did what no man has ever done - develop a program for Speech Language Pathology students that will enhance their understanding of the different relevant concepts, and help with the integration and utility of these theories into clinical practice. He dreamed of it. He worked for it. John has walked the talk. He took his BS Speech Pathology at the University of the Philippines - Manila, where he is also finishing his Master's Degree.

CATALYST APP

HOW IT WORKS

The Catalyst App is composed of different features which were carefully developed and integrated to further improve the learning capabilities of the students for their specific training and programs.

LECTURES

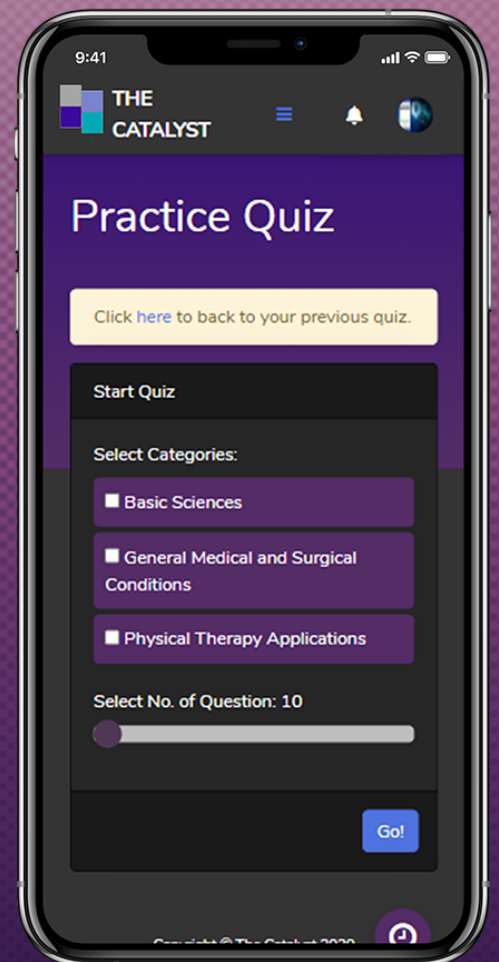

The App contains wide range of video lectures, each recorded for a specific topic and category. This will enable you to study lectures and repeat them as much you want, anytime, anywhere.

EXAMINATIONS

Answer huge amount of questions within the App's database. It could be in the form of timed Featured Quizzes, Do-it-yourself Tests and Mind Gym where you can browse the rationale to the questions.

ASSESSMENT

Know your status and performance through loads of analytics, item analysis and compliance tracker. This is necessary for you to know your progress and further improve your training.

AMAZING FEATURES

Loaded with features and integrations, this app surely is capable of bringing out the best in you by compressing everything you can do in a physical training center to fit right into you pocket.

TRACK RECORD, LECTURER CREDENTIALS AND TESTIMONIALS

THE CATALYST

The track record of the organization revolves around the credentials and expertise of its founders and lecturers that produce our quality service.

2-8 YEARS OF EXPERIENCE

All the lectures in the group have been teaching for several years in the review industry and in the academe. Hence, there is remarkable mastery of topics. Likewise, the lecturers have professional experience in multiple fields of practice, including research, academe, clinical, and management work. These additional credentials signify that the team is knowledgeable on current practices and evidence that makes the review experience more holistic (See next page for lecturer credentials).

FIRST PT REVIEW APP

The Catalyst team is the first in the entire Physical and Occupational Therapy industry to create a review app. This was conceptualized and rolled out before the pandemic to cater to students who are not able to attend the regular review classes, and those who cannot cope with the regular pace. This is because Catalyst does not only want topnotchers; the organization also looked for solutions for students who are retakers or have difficulty in reviewing. Later on, the Catalyst App was also introduced to the general population during the pandemic.

TOPNOTCHER LECTURERS

The lecturers do not only have incredible mastery and authority in the review industry; many of the lecturers are themselves topnotchers. This is vital in the provision of guidance for students, not only for review content but techniques they employed that the students can apply (See next page for lecturer credentials).

SEVERAL TOPNOTCHERS PRODUCED

With multiple years of teaching experience in their portfolio, the CRS lecturers have taught and mentored, as part of a team, several topnotchers in both the Physical and Occupational Therapy Licensure Examinations.

TESTIMONIALS

Kent Cruz  recommends Premium Learning Program by Catalyst Review Solutions.
January 26 at 9:48 PM · 

The system runs so smooth and efficient and not to forget to commend its world class mobile application that can also top up with most of the international educational apps available. The lecturers and staff, too, are very approachable and easy to communicate with making our queries and concerns be entertained right away.

Clarence Chiuco  recommends Premium Learning Program by Catalyst Review Solutions. 
January 27 at 1:59 PM · 

The app used for the review is sooo easy to use and very efficient for students (high quality too). Aside from the video lectures and exams, there are so many other features that can make and keep you productive such as the calendar (so you can keep track of the schedule of the lecs/exams or you can make your own sched), practice quiz/mind gym (LOTS OF THEM so you can practice answering questions/testmanship), playlist (where you can listen to the songs made by the lecturers), and many more (they also update/add new features every now and then). Best review center indeed wouldn't have it any other way!!!

John Paul Parungao Crisostomo  recommends Premium Learning Program by Catalyst Review Solutions.
January 26 at 11:28 PM · 

The app is effecient and smooth. It caters to our ongoing need of innovation, while also making sure it is appropriate to the needs of the reviewees.

The team is also professional and responds quickly to concerns and inquiries 😊

Positive: Communication, Professionalism, Quality, Value

This review center is very accommodating. To begin with the technical support team are quick to fix and improve any problems on the Catalyst web page leaving zero to minimal time wasted on technical problems. The lecturers are easily approachable with minimal delay upon questions asked, no matter the type of question. I find the lecturers to be awe-inspiring, they're not only there to educate but also give us a sense of moral support when needed. I think The Catalyst will serve as one of the, if not the best review center going forward.

Positive: Communication, Professionalism, Quality, Value

Enrolling in this review center gave me a holistic approach in preparing for my PT licensure examination. The team became my family as they impart their expertise in the field. All of the topics were explained the simplest and easiest way. Have a difficulty in memorizing? No problem, the team prepared numerous ways for me through songs, mnemonics and many more. Did I say they also have a playlist in their app? Yes they do. In the mental health aspect, the team included a psychologist and prepared activities. The team loves to hear questions and suggestions. They created an app that is easy to use. I love the app. A one stop shop for all your needs. The best part is the self made quizzes. Take as many as you can and create many mistakes as you can so that you will not make any in the board exams!
